Re: TSCA Compliance Statement

Dear Valued Customer:

In accordance with the U.S. EPA Toxic Substances Control Act (TSCA) “Inventory Reset Rule” (82 FR 37520 issued August 11, 2017), Formosa Industries Corporation, has reviewed all of the chemicals manufactured or imported by the company. We confirm that all manufactured or imported chemicals are on the TSCA “active” list or have been registered in the EPA CDX database.

In addition, we have verified that all of the additives and stabilizers used in our products are also on the TSCA “active” list. This includes all grades/concentrations of the following FIC products:

- Formolene® polyethylene resins

As always, *You expect more. And Formosa delivers®*. If you have questions, please contact your Sales Representative.

Sincerely,

/s/
